

LETTER OF RECOMMENDATION

To whom it may concern,

It is my absolute pleasure to recommend Ayesha Mazher as an assistant stylist; I have worked with her on a challenging tv show “Beauty Match” for MBC Group, and she proved to me she could manage difficult and critical situations and deal with them in a responsible and mature way, using her communication skills and styling knowledge.

She was a valuable asset to my team, reliable, hard working and honest.

She not only handled demanding “stars” but also used her skills and creativity in styling to save time, looks and aesthetic requirements.

Along with her undeniable talent, Ayesha has always been an absolute joy to work with.

She is a true team player.

She is dedicated and always eager to learn and move forward.

She will be definitely a beneficial asset to any team.

Warmest,
